Don't forget to vote the
cover of the week

Lab 3

Exercise

1

★ Marvel Heroes

you!

- ★ Fill the gaps using the proper link
- ★ Read the comments inside the code

**Use proper elements*

Top 5 Marvel heroes

Here you will find a list of 5 of the best super heroes from *Marvel* universe

- [Ant-Man](#)
- [Groot](#)
- [Rocket Raccoon](#)
- [Iron Man](#)
- [Hulk](#)

Clicking on the character's name will open its page in a new tab.

[Homepage](#)

Ant Man

Ant-Man (comic version) wearing his suit

A good man with a criminal past, Scott Lang builds upon the legacy of one of the founding Avengers as the size-changing hero Ant-Man.

From the Big House to the Ant-Man

Desperate to provide for his family, Scott Lang turned to burglary and inadvertently won his freedom. He knuckled down to raise his daughter and fortunes. When Cassie fell in love with a mysterious wealthy man, Lang risked everything for his life.

Assuming scientist Hank Pym's identity, Scott discovered something far more than just a Super Hero with the Avengers.

Ant man's best friend

Iron Man
